Remarks:

You will recall my telephone inquiry of 6 January on the attached subject. I was then in possession of a great mass of papers from [REDACTED] which were at that point destined for the DCI. You said you would prefer to have a short memorandum explaining what was going on. The attached seems to accomplish that very well. The memorandum referred to in para. 6 of the attached was signed and dispatched by Mr. Bissell. It would seem to me that this would constitute an adequate reply to the Joint Staff Memo of 14 Dec 60 which you originally forwarded.
